

Hi Parents,

Here is a step by step guide to using the Church Center App to pre check in your child prior to service. (Note that pre check begins at 7am on the morning of the respective service).

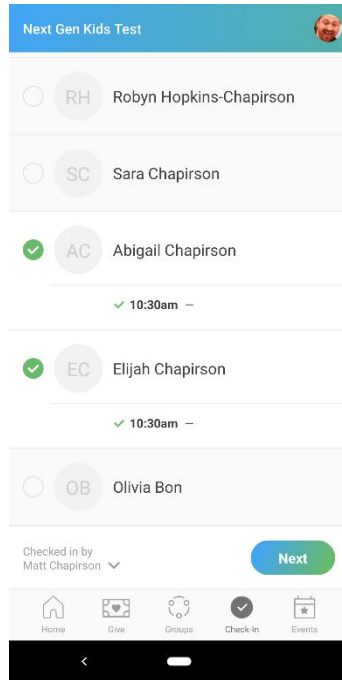

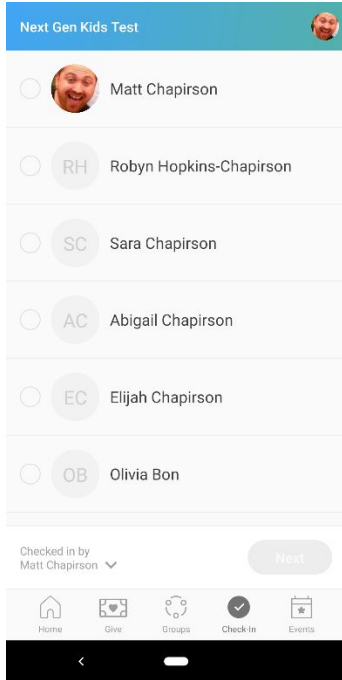

First you will need to go to the App store and get the **Church Center App**.

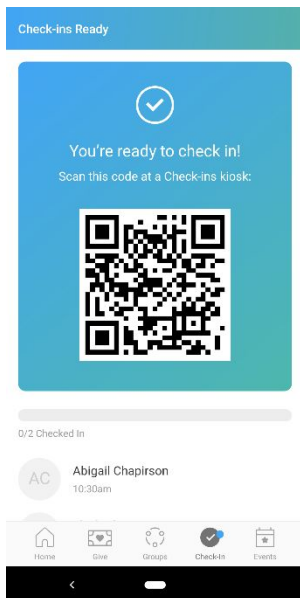

Once you have downloaded the App, open it and type in Rhapsody Church to find us. Once that comes up, select that as your church.

Once you have done this, simply click the check in icon at the bottom of the screen, find the service (it will probably take you to it automatically), and click which children will be attending the program.

Once you have completed this, you will go to a screen with a QR code that we will use to check in your child when you arrive.

And you're all done. We look forward to serving your children.
